

GRADUATE NURSE PROGRAMME

February 2019 Intake

Applications are now open for MercyAscot's Graduate Nurse Programme commencing in February 2019

Applications are now open for MercyAscot's Graduate Nurse Programme commencing in February 2019. If you have your sights set on a career in surgical nursing then the MercyAscot Graduate Nurse Programme is a great next step.

We have a long history of supporting graduates as they start their professional nursing journey and look forward to supporting many more. MercyAscot is one of New Zealand's largest provider of private surgical facilities operating across three Auckland sites in Greenlane, Epsom and Takapuna, and we work alongside 190 of Auckland's leading specialists in order to deliver quality outcomes for patients.

The 2019 programme offers positions in the following specialties:

- Orthopaedics - Inpatient Services
- General Surgery - Inpatient Services
- Cardiac - Inpatient Services
- Operating Rooms

Why the MercyAscot Graduate Nurse Programme?

- A tailored programme to support you in your first year of nursing
- We offer free on-site parking!
- You will be provided with an ideal environment to build confidence in a surgical setting
- Working in an elective facility which offers a diverse range of surgical procedures has the advantage of providing a surgically-focused clinical learning environment
- Being part of a small group of graduate nurses allows for a personal and well-supported learning experience

You will be eligible to join our programme if you:

- Have graduated within the past 12 months and have NOT practiced as a Registered Nurse for longer than six months at the time the programme commences
- Are a New Zealand permanent resident or citizen (or an Australian passport holder)
- Hold (or about to graduate with) a Bachelor of Nursing degree from a New Zealand nursing programme (or about to sit the next New Zealand Nursing Council state exam)
- Either hold (or are soon to apply for) New Zealand Registered Nurse registration and a current Annual Practising Certificate
